5 reconsideration of the application in response to this amendment is hereby requested.

In Section 3 of the Office Action, the Examiner rejected claims 37-38 under 35 USC 102(b) as being anticipated by Gohman et al. In Section 5 of the Office
10 Action the Examiner rejected claim 36 under 35 USC 103(a) as being unpatentable over Gohman. Applicants have cancelled claims 36-38 in response to these rejections.

In Section 6 of the Office Action, the Examiner indicated that claims 2-19 and
15 22-35 were allowed. Applicants wish to thank the Examiner for this indication of allowance.

Applicants believe their claims as amended are patentable over the art of record, and that the amendments herein and made previously are within the
20 scope of a search properly conducted under the provisions of MPEP 904.02. Accordingly, claims 2-19 and 22-35 are deemed to be in condition for allowance, and such allowance is respectfully requested.

If for any reason the Examiner finds the Application other than in a
25 condition for allowance, the Examiner is respectfully requested to call Applicants' undersigned representative at the number listed below to discuss the steps necessary for placing the application in condition for allowance.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 08-
30 2025. Should such fees be associated with an extension of time, Applicants respectfully request that this paper be considered a petition therefore.
